Tuition
See universitycollege.du.edu for the current academic year rates.

Scholarship
The BACP Colorado Community College Success Scholarship is specifically for students who started their educational journey at a Colorado community college and are looking to complete their bachelor’s degree at University College. Visit our website to learn about the application requirements.

Accelerate your education and pursue the combined degree option. By substituting two graduate courses for two undergraduate courses, students reduce the total time by 8 quarter hours and reduce the cost by approximately $3,700.

Rank
DU has been ranked as a top 100 university for nearly a decade by US News & World Report and is #13 on the list of up-and-coming schools.
